

Teach the Future: International & Digital

Coimbra, Portugal
20-25 July 2026

Monday - 20/07/2026

Morning:

On-arrival meeting:

- Practical information (logistics, safety, programme overview);
- Institutional greetings;
- Mondego Mobility and Uniser Soc. Coop. presentations;
- Participant Presentations (each participant presents their institution and shares their perspectives on the training theme)

Welcome Lunch offered by Uniser

Afternoon:

- Expectations mapping (participants share their goals and expectations for the week);
- City Tour & Icebreaker Walk

*Coffee & Networking: morning & afternoon breaks in Uniser's training spaces

Tuesday - 21/07/2026

Morning:

Workshop *KA2 Project Design with a focus on the digital transformation*

- Practical session about KA2 Erasmus project design linked to the horizontal priority "Digital Transformation". Developing digital pedagogy, content, and skills for educators and learners.
- Engage in peer learning: sharing practices and tools. You will explore the project results of a KA2 project about digitalisation as an example of practical tools developed in a partnership.

Free Lunch Break

Afternoon:

- Cultural Activity (museum, guided visit, or local experience linked to the theme)

 **Wednesday - 22/07/2026****Morning:***Workshop KA1 Project Design and management with a Digital Focus*

- Workshop on how to design KA1 Erasmus projects that include or enhance digital mobility tools and blended learning strategies.
- Engage in peer learning: sharing practices and tools to enhance the digital dimension in managing learning mobility (Moving Generation, e-forms, digital mentoring and feedback system)

Free Lunch Break

Afternoon:

Field visit to an IT company also involved in Erasmus+ VET Learners hosting

*Coffee & Networking: morning & afternoon breaks in Uniser's training spaces

 **Thursday - 23/07/2026****Morning:***Workshop: Human vs AI - Smart Tools for a Smarter Project Management*

This interactive session explores how Artificial Intelligence can support teachers and mobility project managers, without replacing the human touch.

Together, we will:

- Engage in peer learning: each participant shares how they already use (or plan to use) AI in their work
- Practice using AI for project writing and management or content creation (lesson plans, project drafts, reports)

- Discuss on ethics, risks, and smart integration of AI into our daily practice.
- Explore MOSAIC e-learning on AI: through this sub-module you will see how AI can transform learning and teaching and you will receive practical guidance on incorporating AI to improve educational practices.
- How share awareness with our colleagues or students: prepare materials to share back home

Lunch Break

Afternoon:

- Visit of Schools, VET Center or Training Institution

*Coffee & Networking: morning & afternoon breaks in Uniser's training spaces

Friday - 24/07/2026

Morning:

- Final Evaluation & Reflection Session (test/quiz, sharing what has been learned)
- Certificate Ceremony & Goodbye Coffee

End of Programme by 12:00 (participants free to depart or extend stay)

Please note that this schedule is a draft and may be adjusted to best accommodate participants' preferences and needs.
